

News from William and Sharyn December 2019

18 December 2019

Dear family and friends,

We greet you in the matchless name of our Lord and Saviour Jesus Christ. As we prepare to celebrate Christmas, may we always remember that Jesus came to this earth to make a way for us to have a personal relationship with God, through Jesus Christ. We hope that you will have precious time spent with family and friends this Christmas and may the gift of our Lord's birth be a precious treasure to you.

We have had a full year, we thank the Lord for His goodness and guidance in our lives and we are now looking forward to some down time.

Ministry Update...

EXCITING NEWS!!!

Samaria Mission is getting two new families! We are so grateful to the Lord for the new full-time missionaries.

"Our role in the mission will be helping with translation, conducting monthly leadership training with the leaders and their wives in Mozambique. We also wish to help the nearby churches that are not far from the

border, especially Mbuzi, which is currently going down due to the lack of pastoral role. Our goal in this is to work with the local pastors and be available for the church until God raises a local man who can help to shepherd the church. This can be done on a weekly basis depending on the resources available for that."

Stanford and Elewani Chauke

"We are going to join what the mission is already doing, with the future goal of coming alongside South African churches to help grow and strengthen them."
Nathan and Kimberly Vaughan

MINISTRY HIGHLIGHTS

Translation Ministry

Can you imagine... the only Theological resource book you had in English was your Bible?

Well that is the case for our Shangaan speaking brothers and sisters. With your help you can make a difference! By financially supporting the TRANSLATION MINISTRY you will be enabling us to continue translating our teaching materials into Shangaan. Once the material is translated and edited, we have it printed into books that is made available to the pastors and church leaders in Mozambique.

Would you prayerfully consider giving towards this vital ministry in Samaria Mission?

Practical Ministry

We are so grateful to Mark and Alicia Raley for their hard work in October. They took on the challenge of transforming our warehouses by building shelves. Why are shelves a blessing? Imagine storing your books in boxes or piles on the floor! For 16 years we have operated by stacking our equipment onto makeshift shelves (old bunk beds) and packing other equipment into boxes. These shelves are going to make access to our equipment so much easier and at a glance we will be able to find our equipment! Thank you for your hard work, Mark and Alicia!

Bible School Curriculum

The Curriculum that we use for the Bible School in Zimbabwe is a set of 10 books, these books are used over a 3 year period. Each set of books costs R2000 – R200 per book. **Would you prayerfully consider assisting a student to purchase these books?**

Personal update...

Family Time: At the end of November we got together to celebrate Lilly's 1st birthday! This is the first time this year that we have had all our children together at the same time, we are so grateful to the Lord for this blessing. Due to the fact that we can't all be together for Christmas we decided to have an early Christmas celebration together. The Vaughan family's favourite Christmas dinner... a BRAAI!

Wishing you all a
Christ filled
Christmas!
May 2020 be a year
where you take the
opportunities to
share Christ with the
people that you
encounter along life's
journey!

Thank you for your interest in our ministry and in our lives, we are grateful to the Lord for your love and support!!!

*All our love,
William and Sharyn Vaughan*
