Dear Friends,

**“For everything there is a season, and a time for every matter under heaven.”**

**Ecclesiastes 3:1**

Thank you so much for your continued interest and support of our ministry. We are so grateful to the Lord for the wonderful partners that He has brought into our lives. Thank you for your support of Samaria Mission as a whole, as well as your support of each individual associated with Samaria Mission. Whether they are full-time missionaries or simply associated with Samaria Mission.

We are facing change. We would like to take this opportunity to inform you that MEEK is undergoing an address and leadership change. The time has come for Bill & Carolyn Ratcliff to officially retire and finally get some rest. We are so grateful to Bill and Carolyn for their faithful service to us for so many years! They have tirelessly served each of you and Samaria Mission for many, many years. Their time and labour of love has not gone unnoticed and we are very humbled by their servant attitude.

After many years of prayer and seeking the Lord, we bring to you that the MEEK organisation is moving to Texas and will fall under the leadership of PaulAnn Baptist Church in San Angelo. The MEEK leadership have had a desire to see this ministry fall under the leadership of a local church and they have been seeking the Lord for many years. After months of prayer, discussion and one on one meetings, the time has now come.

As of 1 January 2016, MEEK will be operating from San Angelo, Texas. The new address is;

**Meek, Inc  
2531 Smith Blvd.  
San Angelo, Texas 76905**

Please be sure to change your mailing address from the OLD North Carolina address, to the NEW address in San Angelo, Texas.

Please be assured that the only change in the organisation is the address, things will still operate as they have been over the years, with a possibility of some new (more technological) payment methods being introduced in the future.

If you have any questions, please feel free to contact Bill & Carolyn Ratcliff ([980 355 2592](tel:9803552592)) or Codi Sutton ([325 655 7552](tel:3256557552)).

Thank you for your understanding in this matter and we look forward to working together in the years to come.

Your co-labourer in His Harvest,

William Vaughan
